LONG LIVE LONG ISLAND™

PRESIDENT'S MESSAGE

Dear Colleagues:

What a great time at the Spring Convention at Mohegan Sun! I hope you are with me in feeling that this year's speakers were especially engaging, that the energy was high and that there was something valuable for all who attended! And it was wonderful seeing so many of the district 7 Docs in attendance. (For those of you who had some extra cash, I hope Lady Luck was on your side!)

As we move into the final D7 meetings before we break, we have planned some interesting topics to cover. Coming up in the April meeting, for example, **Dr. Sharma, a pain management doctor and Gold Sponsor**, will be speaking about the latest treatments to help with spinal pain. I have worked with Dr. Sharma for many years now and value his expertise and positive impact on my patients.

Looking forward to May, mark your calendar for our **Gold Sponsor Event at Stella Trattoria** in Blue Point on Wednesday, May 21 from 7 to 10pm. This is always a great turnout, and I look forward to spending time with you all and talking to our amazing sponsors about their latest offerings. Join us as we thank our sponsors and show our support for those that support our D7. This year, the event is co-sponsored by Zwanger Pesiri Radiology and Elite Medical. Yes, there will be delicious food and drink to enjoy.

Recapping last month's meeting with licensed social worker Kathleen Coletta from the Yes Community Network who addressed the warning signs of **substance abuse** and walked us through **Narcan training**. All the attendees received a free Overdose Rescue Kit as well as a lot of information about the addiction. Thank you, Dr. Jeff Poplarski, for bringing this topic to our meeting and then making it happen!

Lastly, congratulations to one of D7's newest members, Dr. Dana DeMartino, who was awarded the John Pellegrino Scholarship while at the NYSCA Saturday luncheon. Dr. DeMartino was very appreciative of receiving the award and looks forward to many more years within this amazing organization as she begins her career in chiropractic.

Yours in Chiropractic Health,

JoAnna Fasulo DC

Member Spotlight

Greg Papadopoulos, DC!

Greg is the proud father of 3 kids; one son who is a pilot and two daughters who are graduating from nursing school on April 4, 2025. Quite proud of their accomplishments, Greg is also quite proud of his own success at Suffolk County Chiropractic.

From the start, Greg has enjoyed helping people and guiding them to becoming a healthier version of themselves. In his words, *'Helping them live their best lives'*. This comes to life in his role as a teacher of Anatomy and Physiology at Farmingdale State University where teaching allows him to connect with today's youth and guide them towards healthier lifestyles to prevent future illnesses.

This focus on helping people also comes to life in his practice. Greg became a licensed DC in 1985 and sees his practice as one large family. Treating patients who bring their children in and over time bring their children in - it's a generation after generation focus on health through chiropractic. Greg laughs, *'Makes me feel old but great! There is no better feeling than having a patient thank you for changing their life.'*

Interestingly, Greg's original plan was to become an MD. But while getting his BS in biology from Stony Brook Pre-Med his mother developed neck pain with radiating pain into the right upper extremity. She was advised to see an orthopedic, not a chiropractor and prescribed medication, muscle relaxants, and physical therapy to treat her treatment pain. Her condition progressively worsened and eventually they recommended surgery. During surgery, the surgeon slipped and cut into her spinal cord leaving her paralyzed. This left Greg's mother, a once highly active woman stopped in her tracks. It was then that Greg confided in a classmate and told him his story. Greg shared how disillusioned he was with the profession he wanted to join. The classmate recommended he investigate chiropractic. After some research with other chiropractors and chiropractic patients, Greg committed to becoming a chiropractor.

In his spare time, Greg enjoys boating, hiking, inline skating the beach, just about anything outdoors. He has been an active NYSCA member since his start in 1985 and sees NYSCA as a community of brothers and sisters in the journey of health. From Greg, *'It is important to be involved and to contribute both financially and in person to better the profession for the next generation of chiropractors.'*

UP TO SPEED ON INSURANCE

AS OF JANUARY 1, 2025 THE SUFFOLK COUNTY PLAN CHANGED FROM ANTHEM BLUE CROSS TO AETNA - DETAILS ABOUT THE IN AND OUT OF NETWORK BENEFITS CONTINUE TO UNFOLD!

Will be discussed in detail at the monthly meeting.

TAXONOMY CODES AND BILL SUBMISSIONS

Please be aware that taxonomy codes are now needed for submission to Federal Work Comp and Emblem Medicaid. On the 1500 form it would go in box 24j or 33b. All Chiropractors have the same taxonomy # 111N00000X.

JANUARY 1, 2025 NORTHWELL HEALTH EMPLOYEE PLAN IS CHANGING THE NAME FROM HEALTHCOMP TO PERSONIFY

- Same Electronic Payer ID
- Same Mailing Address
- Same Patient ID Numbers
- THE ONLY CHANGE IS THE NAME

EFFECTIVE JANUARY 13, 2025:

Updates to UnitedHealthcare Medicare Advantage and AARP Medicare Advantage Plans Clinical Submission Requirements for Chiropractic, Physical, Occupational and Speech Therapy Services.

We will continue to answer any questions at our monthly meeting.

ATTENTION MASSAGE THERAPISTS: 97124 AND 97140 ARE BOTH INCLUDED IN THE 20 VISITS PER YEAR CAP FROM ALL PROVIDERS BOTH IN AND OUT OF NETWORK FOR NYSHIP.

WILL BE DISCUSSED AT OUR UPCOMING MEETING!

SPECIFIC HP1 DOCUMENTATION GUIDELINES

<https://content.govdelivery.com/accounts/NYWCB/bulletins/38a834c>

DO YOU ELECTRONICALLY BILL FOR YOUR WORKERS COMPENSATION CLAIMS?

If so, remember to bill the CPT code 99080 to offset the Clearinghouse costs. We will discuss details about when and how to use this code at our monthly meeting.

REMINDER-CMS-1500 SUBMISSION REQUIREMENT FOR HEALTH CARE PROVIDERS

<https://content.govdelivery.com/accounts/NYWCB/bulletins/3bf5d40>

2025 NYSCA DISTRICT 7 JOHN PELLEGRINO SCHOLARSHIP AWARD RECIPIENT IS DR. DANA DEMARTINO

The recipient of the NYSCA District 7 John Pellegrino Scholarship Award for 2025 is Dr. Dana DeMartino. Dr. DeMartino received her Doctor of Chiropractic Degree in 2024 from the University of Bridgeport.

Prior to chiropractic school, she was a professional Hockey Player (the goalie) for the Metropolitan Riveters located in the New Jersey/Metropolitan Area. Dana's first experience with chiropractic was during her freshman year of college. Dana experienced an ankle injury that required treatment for her to return to play. One of her mentor's was District 7's member, Dr. Jeff Poplarski who helped her realize that chiropractic was the perfect career choice for her.

Currently, Dr. DeMartino is working as an associate with District 7's President, Dr. JoAnna Fasulo and is building a private practice on the weekends. She also attends District 7 monthly meetings and events. District 7 is proud to present this scholarship to Dr. Dana DeMartino.

CHIROPRACTIC IN THE NEWS

THE ROAD TO THE RYDER CUP

New York, NY – [March 17th, 2025] – The Tunnel to Towers Foundation is proud to announce its sponsorship of a weekly golf-focused podcast, hosted by renowned golf industry experts, Dr. Jeff Poplarski and PGA Professional, Frank Darby.

Tune in weekly to be on the cutting edge of what’s happening in the golf world leading up to the 2025 Ryder Cup

As the golf world gears up for the highly anticipated 2025 Ryder Cup at Bethpage Black, this exciting new show coincides with the 2025 event and provides listeners with expert insights, compelling guest interviews and insightful discussions on wellness, golf performance and the mental side of the game.

Dr. Jeff Poplarski, Sports Chiropractor and Sports Performance Specialist has been the Performance and Recovery Director for the United States Golf Association (USGA) since 2002. He’s also been instrumental at 46 USGA Championships, including 20 U.S. Opens and holds the highest levels of certification from the Titleist Performance Institute. Presently, his expertise in sports recovery and performance enhancement has made him a key figure in professional golf.

Joining him on the podcast is Frank Darby, a 45-year PGA Golf Professional with a distinguished career as a club pro and college coach. Darby spent 23 years coaching at St. John’s University, where he recruited and mentored PGA Tour players Andrew Svoboda, Ryan McCormick and Ryder Cup Captain Keegan Bradley. Frank’s 2014 St John’s Team captured the Big East Championship. Darby is also the long-time host of SiriusXM’s “ON COURSE” on PGATour Radio and part of the management team at the indoor golf facility, Golf Lounge 18.

Teaming up Dr. Poplarski and Darby will bring engaging discussions with Titleist Performance Institute professionals, PGA Tour players, Ryder Cup Staff, media personalities and wellness experts to audiences worldwide.

“The Tunnel to Towers Foundation is honored to support this podcast, which aligns with our mission of resilience, dedication and the pursuit of excellence,” said Frank Siller, Chairman and CEO of the Tunnel to Towers Foundation. “Dr. Jeff and Frank bring an incredible wealth of knowledge and passion for the game, and we are excited for golf fans, veterans, and first responders alike to be inspired by their guests and insights.”

Listeners can tune in on social media platforms (X, Instagram, LinkedIn, Facebook) and all major podcast streaming services.

For more information on the Tunnel to Towers Foundation, visit T2T.org.

A promotional graphic for the "The Road to the Ryder Cup" podcast. At the top, the text "The Road to the Ryder Cup" is written in a white, curved font. Below it is the official Ryder Cup 2025 logo, which features a gold trophy on a shield with American and European flags. Underneath the logo, the word "PODCAST" is written in white, followed by "Featuring Dr. Jeff Poplarski and Frank Darby". The bottom section of the graphic is white and contains the text "SPONSORED BY" next to the Tunnel to Towers Foundation logo. Below this, the words "LISTEN ON" are written in large, bold, black letters. Underneath "LISTEN ON" are the YouTube and Spotify logos. To the right of these logos is a QR code. At the bottom right of the QR code, the URL "https://linktr.ee/theroadtotherydercup" is written.

NYS CA LEGISLATIVE UPDATE

Chiropractic Scope of Practice 2025 Legislation Update

A lot has changed since the 1960's. One thing that hasn't changed is the chiropractic scope of practice, which is why this is one of the legislative priorities for the New York State Chiropractic Association on behalf of the chiropractic profession.

This updated scope of practice bill has been a joint legislative priority between the New York State Chiropractic Association and the New York Chiropractic Council since 2015, when the Joint Legislative Task Force was formed and began to discuss amending numerous sections of Article 132 of the Education Law to update and modernize a variety of provisions related to the chiropractic scope of practice. Over many months of meetings and negotiations nuances in language and punctuation were hammered out between both associations. The goal was to create a bill that would serve all members of the profession regardless of philosophy, or practice style, and would allow NY to become a state where graduates would want to stay and thrive.

To this end, we worked to create language to address current education as well as future advances in healthcare. Representatives from both associations agreed with the language of the final bill. Both associations began to support and promote this legislation after it was introduced at the end of the 2016 legislative session. During the 2023 legislative session, NYSCA worked with the Council on some language modification after the Council raised concerns that the current language regarding performance of x-rays wasn't clear enough.

For the 2025 legislative session, the bill numbers are A4706 / S5860. One other change for this session is that we have a new Assembly bill sponsor. Our original bill sponsor, Assemblymember Daniel O'Donnell retired at the end of 2024. We cannot thank him enough for his leadership and support of the profession over the years. The new Assembly sponsor of this legislation is Assemblymember Sarah Clark. The continuing Senate sponsor is Senator Andrew Gounardes.

We are excited to have Assemblymember Clark and Senator Gounardes advocate on our behalf for the update to the chiropractic scope of practice, and while the New York Chiropractic Council decided late last year to call off discussions about unity with us, we will continue to work with them through the Joint Legislative Task Force on this important legislative priority for the profession and our patients.

The NYSCA Board of Directors and government relations team have been hard at work building a coalition of partners to support our efforts and talking with groups that had concerns to ensure that this important legislation will pass both houses of the legislature. And, while the scope of practice bill is our main legislative priority, we are also working on important legislation to limit the lookback period for insurance overpayment recovery from health care providers to three months; authorize certain licensed health service professionals, including chiropractors, to form limited liability companies with other licensed health and mental health providers; and, require any insurer that pays a provider with a credit card, virtual credit card or electronic funds transfer, to notify the provider in advance of the fees and provide an alternative payment method that does not impose fees.

Stay tuned for additional information and updates on how you can help our legislative efforts.

NYSCA WEBINAR SERIES APRIL AND MAY

<https://www.nysca.com/webinars>

Treatment Guidelines, Documentation and Coding Compliance: Workers' Compensation and Beyond (part 2)

Presented by: Robert Martin, DC
April 16, 2025 | 1pm-2pm (1CE)

In this course, the presenter will discuss the documentation and management of exacerbations and maintenance/supportive care in the NYS Workers' Compensation system. We will also have an overview of common denials (C8.1 and C8.4) for conservative chiropractic management of spine related complaints and instruct participants on what to do when receiving inadequate denials or no response from the insurance carrier.

Medicare Advantage: Understanding the Complexities and Documentation Requirements

Presented by: Robin Stein, DC
May 28, 2025 | 1pm-2pm (1CE)

In this course, participants will be help to better understand the complexities of the Medicare Advantage patient, including the nuances of Qualified Medicare Beneficiaries (QMB), Managed Medicaid, and Online Resources to best prepare your office. Participants will also be instructed on how to properly document and code for treatment rendered to Medicare Advantage patients.
